ABOUT US

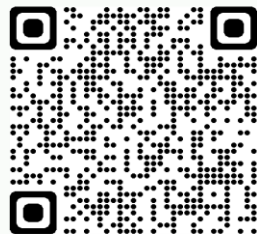

The Maple Park Story

The Maple Park United Methodist Church was organized by the Board of Mission of the Rock River Annual Conference under the leadership of Bishop Felton E. May and eleven other pioneers for Christ in September, 1963. Church services were held at the John Whistler and Thomas J. Higgins Elementary Schools.

In 2022, we celebrated our 59th Anniversary of ministry with the Maple Park community. Maple Park continues to reach out to satisfy unmet needs and serve all God's people.

While reflecting on our past, we continue to move forward to fulfill the call of God through living our mission.

At Maple Park United Methodist Church, you will experience a warm and friendly atmosphere, passionate worship, relationships that will build your faith, and an opportunity to grow and to serve. *Most importantly, you will find a place to belong.*

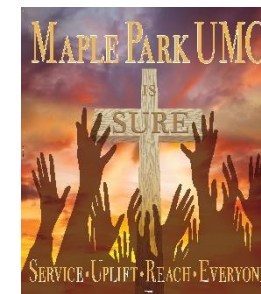

Welcome again, and if there is something we can do, please don't hesitate to let us know. Feel Free to make a donation.
